

HR Specialist

at Hudl

Lincoln, NE

Interested in working at Hudl? Awesome. Here's what you need to know.

Our goal is to change the way coaches, athletes and analysts prepare for and stay ahead of the competition. Whether it's with video, stats or a combination of the two, we want our tools to help every step of the way. That's why we're always hiring, and we need the **best** because a product is only as good as the people behind it.

Hudl's People Operations team discovers, energizes and grows the game-changing talent we need to win and we're looking for a Lincoln-based HR Specialist with benefits experience to help us accomplish that vision. Your work will span borders, uniquely providing the opportunity to impact Hudlies around the globe.

You Are

- **Experienced.** You've successfully supported a robust benefits package, mastering the tech systems that house them, while providing world class service to your internal customers.
- **Detail-oriented.** No detail is too small in ensuring pay and benefits needs are met for our team.
- **Excited for change.** Not only do you adapt well when change occurs, you thrive on it, and expect that any great team is constantly evolving.
- **Enthusiastic.** You love interacting with tons of people daily and do everything you can to meet their needs.

You Will

- **Understand pay and benefits globally.** From healthcare to retirement and everything in between, you are the go-to expert solving problems all over the world.
- **Innovate.** Your previous experience will shape better processes across our whole People Operations team.
- **Be challenged.** We're a high-growth company with no shortage of problems to solve and people-related challenges to tackle.

We Will

- **Treat you like an adult.** We'll trust you to get work done the best way you see fit.
- **Give you what you need.** We'll supply the environment and tools for success, allowing you to focus on professional growth and career development.

- **Challenge you.** You'll be surrounded by people equally committed to the company's success, allowing for constant collaboration.
