

POET is a hidden gem, headquartered in Sioux Falls, South Dakota and yet the largest producer of biofuels in the world! Just thirty-plus years in business, yet we have grown to 2,000 team members strong, 28+ bioprocessing centers across seven states, plus offices in DC and Wichita, KS. With our 90 patents worldwide, we are just getting started. Imagine the opportunities for YOUR skill set on the team.

Lead by our new leader, Amber Unser, Vice President of People and Culture, our human resources team is taking on new challenging roles, enhancing existing roles, and growing the team! This is where YOUR skill set comes into play ... We are searching for talented human resources professionals to join our growing team for the following opportunities:

- Talent Acquisition Partner
- Talent Scout
- People & Culture Partner
