Further, his practical approach to fiduciary responsibilities is on display through his monthly QPA Advocate Newsletter articles, frequent educational webinars, and the annual Qualified Plan Fiduciary Summit.

Matthew graduated from the University of Nebraska-Lincoln (B.S.B.A., highest distinction) and Baylor Law School (J.D., magna cum laude), where he served as Editor-in-Chief of the Baylor Law Review and competed on the National Moot Court and Mock Trial teams. His wife, Laura, is a psychologist who founded and built REbeL, Inc., a not-for-profit organization. Matthew enjoys spending time coaching their three boys' teams, traveling, watching college football and way too much Netflix, and running.
